CONTEST WINNERS

IN THE ORATORICAL CONTEST HELD FRIDAY NIGHT.

PLATTSBURG WON FIRST

In the Declamatory and Platte City First in the Oration Class—Well Attended.

THE WINNERS.

Declamatory.

1. Miss Neva Gengelbach of Plattsburg.
2. Miss Orta Glenn of Tarkio.
3. Miss Jane Gladstone of Grant City.

Oration.

1. Heber Hunt of Platte City.
2. Herbert Oppenheimer of St. Joseph.
3. H. R. Clay of Plattsburg.

Essay Contest.

- Miss Lazella Austria of St. Joseph Central High school—First prize.
- Mr. Reynolds Eckel, St. Joseph Central High school—Second prize. Mr. Eckel is the son of Rev. Edward Henry Eckel, rector of Christ church, St. Joseph, Mo.
- Orville Whitney of Tarkio High school—Third prize.
- Elmer Wells of Rock Port High school—Fourth prize.

The Judges.

The judges were Dr. Charles P. Luce, pastor of the First Presbyterian church, Professor Schweinhart of the Northwest Normal faculty, and Professor W. C. Urban of Cameron. Their decision as to the winner of the first prize in the oratorical contest met with the unanimous approval of all. The winner, Heber Hunt of Platte City, captivated everybody. He is but twelve years old and is the son of Rev. W. P. Hunt, pastor of the M. E. Church, South, of Platte City. If there is such a thing as a "born orator," Heber Hunt is surely "it." However, all the orations were splendidly given.

The Inter-High school oratorical contest of the Northwest Normal district was held in the High school auditorium Friday night. Every available seat was taken and the walls were lined with people who were interested enough to enjoy this event of the Second Annual Northwest Missouri Inter-High School Association, even though they had to stand it out.

The ushers had their hands full, but handled the crowd well. They were ably assisted by the Boy Scouts, who have been omnipresent this week, for all of them were seen at various times during the evening giving up their places to someone or securing a comfortable place for somebody. The ushers were: Donald Robey, Goodson Lytle, John Carter Taylor, Roy David, Horace Gibson, Theodore Robinson, Harold Booth, Horace Campbell.

The students of the various schools had a good time giving their school yells, while the crowd was gathering and just before the contest began each trying to outdo or overshadow the other in attracting attention to themselves.

After the music by the peerless St. Joseph High school orchestra, the Maryville High school students marched around the auditorium giving their yells and waving pennants in time with the music. We were proud of them because they made the finest

looking bunch you ever saw.

The St. Joseph High school orchestra is great, and was even more popular this year than it was last year. The violin solos by Miss Fay Maupin and Willard Davis were more than good, while the cornet solo by Lloyd Thompson was the finest cornet work Maryville has heard in a long time. His encore piece, "Silver Threads Among the Gold," was indeed beautiful—every tone as pure as gold. The members of the orchestra are Prof. W. C. Maupin, director; Miss Fay Maupin, Miss Lalla Bowen, and Lewis Cook, violins; Cecil Kelly, Milton Webber, Harold Peterson, Foster Thompson, Charles Culver, drums; Leroy Bennett, clarinet; Lloyd Thompson and Leo Meyer, cornets; Willard Glaze, saxophone; Earl Case, trombone; Verne Ford, pianist.

President Taylor of the State Normal presided over the contest. He said that each speaker would be limited as to time and that time would be called should a speaker go beyond ten minutes. Only two speakers were interrupted—No. 2 and No. 5.

Each speaker was known only by number to President Taylor and the judges and were strangers to nearly all the audience. The names of the contestants and the titles of their declamations and orations were:

- No. 1. Miss Eileen Gibbs of Rock Port, "Bobby Shaftoe."
- No. 2. Miss Orta Glenn of Tarkio, "Herve Riel."
- No. 3. Miss Ella Tripp of Gilman City, "Ole Mistus."
- No. 4. Miss Jane Gladstone of Grant City, "Miss Deborah Has a Caller."
- No. 5. Miss Neva Gengelbach of Plattsburg, "Inja."
- No. 1. Frank Stauver of Savannah, "The New South."
- No. 2. Heber Hunt of Platte City, "Spartacus to the Gladiators."
- No. 3. Joe Travis of Tarkio, "Home and the Government."
- No. 4. Herbert Oppenheimer of St. Joseph, "Liberty and Union."
- No. 5. H. R. Clay of Plattsburg, Faneuil Hall speech of Daniel Webster.

TRAINED TWO OF THE CONTESTANTS

Mrs. Ingles-James of Boston, Mass., accompanied the Plattsburg delegation to Maryville Friday to attend the Inter-High School oratorical contest Friday night, in which two Plattsburg contestants, Miss Neva Gengelbach and Mr. H. R. Clay were winners.

Mrs. James expressed pardonable pride in the success of the Plattsburg contestants, as she trained them for the contest. Mrs. James was called to her old home in Plattsburg about a month ago by the death of her father. She has been an instructor in voice and expression in the Boston Conservatory for thirty years.

OSWALT TO BE ON THE COMETS BALL TEAM

Word was received by the baseball management Saturday morning that Oswalt would be here the first of the week to join the Comets. Transportation was sent to him at once. Oswalt has been holding off signing the contract sent to him by the management and the fans here will be glad to hear that he is coming back.

Another message received was from Des Moines saying that that team would like to farm Gus DeCamp to the Comets here. It seems that DeCamp is not making good with the Des Moines team. All of the ball players are expected to arrive in Maryville by Tuesday or Wednesday of next week.

Licensed to Wed.

A marriage license was issued Friday evening by Recorder Wray to Ora M. Ledgewood and Miss Susie Chaney of Maryville. They were married Saturday morning by Squire Morris.

News of Society and Womens' Clubs

Dance at the Elks.

A dance was given in honor of Miss Mary Campbell of Kansas City at the Elks' Club rooms Friday evening. Music was furnished by Glen Goff and Lawrence Schumacher. The out of town guests were Misses Marie and Louise Curtin of Kansas City, who are visiting Miss Laura Barnmann.

COLBERT ELECTED

PRESIDENT OF NORTHWEST MISSOURI TEACHERS' ASS'N.

THE MEETING ADJOURNED

State Superintendent Evans Gave An Interesting Talk at Friday Afternoon Session.

Friday afternoon's session of the Northwest Teachers' Association was more largely attended than any of the preceding sessions and the numbers on the program were of the same high excellence as those of Thursday evening and Friday forenoon.

State Superintendent W. P. Evans made the address of the meeting, his subject being, "Educational Problems—The Rural School." In speaking on this topic Supt. Evans at first disregarded the latter half of his topic and spoke on the educational problems only. He stated that one of the vital needs of the schools of today is more good teachers, and in order to obtain them the salaries of teachers must be raised to a par with those of other professions. He emphasized this by the fact that a large per cent of the Normal school graduates do not teach school, the thing for which they are especially trained, because they are capable of making so much more money in other fields of work.

Another point made was, that teachers, no matter how good a college education they had, should have some professional training in a Normal school or teachers' college before attempting to take a school.

He spoke strongly for the improvement of the High schools, because, said he, "for a long time to come, as it is now, the majority of rural teachers will come from the high schools." Supt. Evans also advised the teachers to see that better teaching was done. "The most important branch in their curriculum, English," said he, "is the one which is most poorly taught in the elementary and high schools."

In closing, Supt. Evans said that the reason he had not applied his talk to rural schools in particular was because of the fact that the more he saw of school work, the more he was convinced that there was less difference between the country and city schools, and that their vital needs were the same.

At the close of the session, reports of the committees were given and the officers for next year were elected. The new officers are:

- President, Dean Geo. H. Colbert.
- First Vice-president, Mr. J. H. White.
- Second Vice-President, Mr. C. H. Allen.
- Third Vice-President, Mr. J. A. Koontz.
- Secretary, Miss Mary M. Hughes.
- Treasurer, Mr. A. H. Cooper.
- Recording Secretary, Mr. J. W. McCormick.

The following resolutions were read and adopted:

Resolved, That we recommend that the recent law on the certification of teachers be so amended as to fix the minimum age of applicants for licenses to teach, at eighteen years.

Resolved, That we urge upon the next general assembly an amendment to the law relating to compulsory attendance, so that pupils will be required to attend during the full time the school is in session.

Resolved, That we recommend the enactment of a law providing for the medical inspection of all pupils who attend the public schools of the state.

Resolved, That we recommend that in the classification of the high schools of the state, agriculture be made one of the required sciences.

Resolved, That the thanks of this association be tendered: (1) To the officers of this association for their successful efforts in providing an interesting and practical program; (2) To President Taylor and the faculty of the Northwest Missouri Normal school for the use of their elegant and commodious building, and the assistance which they gave to make this a successful meeting; (3) To the Conservatory for the splendid music which they have furnished; (4) To the citizens of Maryville for their courtesy and hospitality.

NORMAL WON IN THE BALL GAME

A bunch of hits, a sackful of errors, just about tells the story of Friday's ball game, which resulted in an 8 to 7 victory for the Normals. Princeton played a more even game and made it look bad for the Normals several times, especially in the fifth, when they batted clear around and scored three runs. The Normals by bunching their hits covered up to some extent their bad fielding and slipped the necessary extra run across the pan. The long end of the score was juggled back and forth from one team to the other, making the victory uncertain, and furnishing excitement for the fans. The score:

ECKLES FUNERAL

TO BE HELD AT GRAHAM—INTERMENT IN L. O. O. F. CEMETERY.

CORONER'S INQUEST HELD

Verdict of the Jury Was That He Took His Life—Resident of County For 28 Years.

Jose Eckles, who died Friday afternoon at 4:15 o'clock by drinking carbolic acid, will be buried in the L. O. O. F. cemetery at Graham Sunday morning. Short funeral services will be held at the Eckles home on North Main St. at 8 o'clock Sunday morning conducted by Rev. J. S. Ford of the First M. E. church, after which they will drive to Graham where the interment will take place.

Mr. Eckles was fifty years old and was born in Adams county, Ill. He came to Nodaway county twenty-eight years ago and has resided in the Graham community ever since with the exception of the last two years, when he and his family moved to Maryville. Mr. Eckles had many friends and was well thought of.

No cause for the deed is known except that Mr. Eckles has been very despondent ever since his daughter, Blanche Eckles, took her life on September 1, by shooting herself with a revolver. It seems that he had brooded over the affair. No letter or note was found. Mr. Eckles took his life in the same room that his daughter took hers.

Mrs. Eckles is nearly prostrated over the affair. This is the second time within the last eight months that suicide has been committed in the family.

The coroner's inquest was held at the house about 4:30 o'clock Friday afternoon, conducted by Coroner J. H. Todd. The verdict of the jury was as follows:

"We, the jury, duly empaneled and sworn, do find that Josiah E. Eckles came to his death by poisoning from carbolic acid administered by his own hands with suicidal intent."

The coroner's jury was composed of G. P. Balmum, W. G. Gross, F. E. Diss, J. P. Price, O. C. Hanna and W. C. Pierce.

EDITORS IN MARYVILLE ATTENDING MEET

A number of Northwest Missouri editors, including W. T. Jenkins, of Platte City, E. S. Garver of Grant City, R. J. Ball of Gallatin, Mr. Jackson of the St. Joseph News-Press and others were taken on an auto ride over the city this morning after which they were driven to the Normal grounds to watch the preliminary contests for the track meet.

At the noon hour they took dinner at the hotel, and apparently enjoyed the day. All were enthusiastic in their praises of Maryville and the track meet exercises. The attendance from among the members of the press was not so large this year as last owing to various circumstances.

The editors from Platte City, Grant City and Savannah were especially interested in the high school delegations from their towns. Grant City sent a delegation, about fifty including an excellent band.

Guests of Relatives.

Mr. and Mrs. William Baunle of near Barnard were in Maryville Friday the guests of Mrs. Baunle's aunt, Mrs. John Stundon, and family. To Meet Visiting Uncle.

Mrs. A. T. King and four little children of Pickering came to Maryville Friday evening to visit her parents, Mr. and Mrs. J. S. Thompson of North Mulberry street, also to meet her uncle, Eli Silknetter of Chicago, who is a guest at the Thompson home. Mr. Silknetter is a brother of Mrs. Thompson.

Returned From Dakota Visit.

Mrs. D. Mings of West Sixth street returned Friday evening from a seven weeks' visit with her daughter, Mrs. B. C. Skinner of Huron, South Dakota.

Mrs. N. M. Fuqua, who has been visiting her son, Rufus Allen, and family, returned to her home in St. Joseph.

LEFT SATURDAY FOR IDAHO TO LOCATE

Dr. Karl Malotte left Saturday morning for St. Anthony's, Idaho, to locate for the practice of his profession.

Dr. Malotte had decided to remain in Maryville to practice his profession, but was led to change his decision through a strong letter of solicitation he received Monday from Wood D. Parker of St. Anthony's, president of the Teton Peak Publishing Company of that place and a leading business man of that section. Mrs. Parker is a cousin of Mrs. Malotte and a niece of Mrs. A. T. Fisher of this city and, and was formerly Miss Margaret McKee of Fairfax. Mr. Parker told of that rapidly growing section and of the opening in the hospital at St. Anthony's there for a well trained, skilled physician and surgeon.

Dr. Malotte graduated in June, 1910, from the Medical School of Northwestern University. He ranked high in all his classes and was one of two in the class of 152 graduates that had not failed in a subject during the entire course. Both were awarded paying hospital service without examination. Doctor Malotte practiced in the Baptist hospital of Chicago six months before graduating and returned to Chicago last August to accept a year's work in the same hospital. His last year at the University he taught anatomy in the Northwestern School of Dentistry, and occupied the chair of histology in the Y. M. C. A. training school of Chicago.

We are glad such a good thing has opened to Dr. Malotte, as it gives to another Maryville high school graduate large opportunity for "making good," and we believe he will, for he has the character and habits to bring to account his splendid training and fine opportunities.

FROM THE "DEVIL"

I want to apologize to the public for this writin', but with rubberin' out of the window at the arrival of every bus and auto load of people cum to town, a-listening to the hands playin', a soolide and the callin' down I got from the foreman, this office was a busy day for me yesterday. I was so excited if someone had a-hollered, "fire!" I would have rung the office towel. Gee, but I hope today isn't quite so excitin'. It gits on my nerves, and is libal to make my hair lose it's natural color and turn gray. Maryville is sure gittin' to be some city.

Yours very truly,
THE "DEVIL"

PEACE ENVOY ON WAY TO JUAREZ

Leaves Mexico City to Conduct Negotiations With Madero.

OFFICIAL NOTICE FROM DIAZ.

Insurrecto Commander Must Name Man to Act for Him—Return of General Reyes at This Time Makes Rebels Suspicious.

El Paso, Tex., April 29.—The government peace commissioner left Mexico City. It has been agreed the peace conference will be held here.

General Madero was officially notified that President Diaz had appointed a peace commissioner to complete peace negotiations with a similar commissioner to be appointed by the rebel leader.

The conference, it is agreed, will be held on the Mexican side of the Rio Grande, near Juarez.

The return of General Reyes to Mexico makes it necessary for the insurrectos to insist that President Diaz shall give the rebels stronger guarantees of security and liberty than hitherto offered, according to a statement given out by Provisional President Madero.

LONDON APPROVES TREATY

Big Mass Meeting Indorses Anglo-American Arbitration Plan.

London, April 29.—What Premier Asquith described as "the venerable Guild hall," without whose seal of approval no popular movement in London is really launched, witnessed a meeting for the adoption of resolutions pledging the city to the support of Anglo-American complete arbitration.

Mr. Asquith and Mr. Balfour spoke eloquently of the treaty first proposed by President Taft, declaring that it would mark a new era in civilization, but both pointedly disclaimed that a peace pact between Great Britain and the United States providing for submission of all difficulties to arbitration would mean an alliance between the two countries.

Leavenworth, Kan., April 29.—In a fist fight on a scaffold at the military prison at Fort Leavenworth, John Schramm of St. Louis struck John Cleaver of Watson, Mo., and knocked him off the structure to the ground, fifteen feet below. Cleaver's skull was fractured and he died in the prison hospital.

Both were convicts under two years' sentence for desertion.

A charge of manslaughter has been preferred against Schramm by Colonel H. T. Slavens, commandant of the prison, and he will be tried by court-martial.

Doxe, will be forced to appear for trial May 8. Judge Wurdemann denied a motion for a continuance. SERIOUS RIOTING IN CANTON, CHINA

Revolutionary Mob Burns Palace of the Viceroy.

FIERCE FIGHT IN THE STREETS

Rioters Are Armed With Rifles and Bombs and Stand Off Troops Several Hours—Steamer Service Is Suspended—Three Hundred Casualties.

Hong Kong, April 29.—Only official messages are being received from Canton, where a revolutionary outbreak occurred. They are of a disquieting character. The revolutionists have obtained a quantity of explosives and the government has asked the steamship companies plying to that city to suspend their service lest arms be smuggled in to the disturbers, who are still at large. Many of the leaders have been imprisoned.

The fighting between the troops and the rioters began when the soldiers arrested a revolutionary leader and his followers, who, carrying revolvers and wearing badges, boldly proclaimed their purpose and surrounded the viceroy's palace and after setting it afire interfered with the efforts of others to extinguish the flames.

Armed With Rifles and Bombs.

The revolutionists were armed with rifles and bombs and fought desperately. Several were killed and many arrested. The troops were commanded by Admiral Li and they suffered considerably, a colonel being among those wounded. The soldiers finally got control of the situation and energetic measures to prevent another outbreak were taken. The gates of the city were closed and a search made in suspected quarters for arms and ammunition. The fire at the palace burned for two hours, doing great damage. The viceroy escaped harm.

Thousands of residents of Canton are fleeing to this city. Those who have arrived say that anarchy is rife among the soldiers at Canton. Many of the troops completed their service and these men are particularly feared. Anarchists have been furthering their propaganda in the army, where there was already much discontent, owing to the recent suppression of gambling. The British consul at Canton has reported to the governor of Hong Kong that the situation is serious.

The first steamer to arrive from the scene of the rioting at Canton brought 100 refugees, mostly women. These witnesses say that over 300 casualties were reported among the "queueless," as the revolutionists have been named.

DUN'S REVIEW OF TRADE

Promise of Improvement as Soon as Uncertainties Pass.

New York, April 29.—R. G. Dun & Co.'s Weekly Review of Trade says: While domestic trade moves sluggishly, export trade continues to expand, and the increase in the amount of manufactured articles sold abroad is very gratifying. Commercial activity abroad is most noticeable and is a promise of improvement on this side of the Atlantic as soon as present uncertainties, which serve to retard enterprise, pass.

Another contrast is to be seen in the essentially sound fundamental conditions, such as abundance of money and comparative barrenness of stocks on the shelves, on the one hand, and the curtailment of production, the inactivity in distribution and the virtual stagnation in speculation on the other.

Interest in iron and steel centers largely on the recent reduction in the price of ore. The lowering of quotations 50 cents a ton was not expected, but the change has not been followed by any larger inquiry for pig iron and buying is delayed, awaiting further developments.

PRINCE RAPS RECIPROCITY

Illinois Man Says Annexation is Democratic Plan.

KENT MAKES FUN OF TARIFF.

New Member From California Says Nation Can Acquire Wealth, If Not Merit, by Consenting to Reciprocal Picking of Pockets.

Washington, April 29.—Another declaration that annexation is the desired end of the Democrats in pushing reciprocity and a speech by a new member of the house, revealing the humorous features of a tariff fight in congress, were the principal events of the debate on the free list bill now pending before the house.

Prince (Rep., Ill.), attacking the Canadian reciprocity bill, sounded the annexation note. President Taft's speech in New York furnished his text. He said that the pouring of Americans into the Canadian northwest and the attitude of the controlling forces of the Democratic party could mean nothing else than annexation, reciprocity and partial free trade with Canada being the first step toward that end.

"I say to our neighbors on the north, be not deceived," said Prince. "When we go into a county and get it we take it. It is our history and it is right that we should take it if we want it, and you might as well understand it. The speaker has said so; the party back of him has said so, and it does not deny that that is its desire."

Prince declared that the reciprocity was the worst bargain ever driven by one nation with another and "the Democratic farmers' free list" ought to be labeled the "farmers' fake bill."

Kent Makes Hearers Laugh.

The humor of the session came when Representative Kent (Cal.), a new Republican member, who succeeded Duncan McKinlay in the house, delivered a speech on the general tariff question, arraigning "a revenue upon necessities."

He said that with other novices in the house he felt sure he had absorbed speeches until he had "learned much that cannot possibly be true," and "that the Congressional Record was filled with a mass of mathematics 'proving what is logically absurd.'"

"I am a Republican, or what used to be a Republican," Kent observed, "because I believe in the protection of infant industries that stand some eventual chance of becoming self-sustaining. But many industries, having outgrown the cradle, have not been required to hustle for their livelihood, but have been carried bodily to a ward in the hospital where our standard friends advocate keeping them during all eternity, to be doctored, nursed and nourished at the public expense."

Kent said that a protective tariff was an attempt to "tax ourselves rich."

"The nation can acquire wealth, if not merit," he said, "by unanimously consenting to the reciprocal picking of pockets by all the people."

To show tariff ineffectuality, Kent said that "Mr. Rockefeller probably pays less government revenue on the food he consumes than does the average hodcarrier. He would doubtless like to pay as much, but he can't without eating as much."

HABEAS CORPUS FOR TILDEN

Packer and Bankers Attack Right of Senate to Arrest Them.

Chicago, April 29.—Judge Petit in the superior court granted a writ of habeas corpus for Edward Tilden, George M. Benedict and W. C. Cummings within half an hour after they had been arrested by E. H. Hatfield, assistant sergeant at arms of the Illinois state senate. The men gave bond for their appearance Monday.

Hatfield here warrants charging contempt of the Illinois senate for the refusal of the three to obey subpoenas duces tecum, calling for their appearance with those books and accounts of the Drovers' Deposit National bank and the Drovers' Trust and Savings bank relating to the accounts of Edward Tilden.

INDICTED MEN GIVE BOND

Officials of Iron Company and Pennsylvania Railroad in Court.

Cleveland, April 29.—B. L. Ireland, second vice president of M. A. Hanna & Co., indicted by the federal grand jury, with Dan H. Hanna, president of the company, and D. T. McCabe, fourth vice president of the Pennsylvania Railroad company, on charges of rebating and conspiracy to violate the Elkins law, appeared before Clerk Carleton of the United States district court and gave \$5,000 bond for their appearance in the government's suit.

New York Police Force Demoralized.

New York, April 29.—The grand jury which is investigating Magistrate Corrigan's charges that a demoralized police force has permitted crime and vice to thrive in this city, handed up a presentment declaring the situation in and the condition of the police force is a matter of grave public concern and that immediate reformation is required.

GRAY HAIRS BANISHED.

The old idea of using sage for darkening the hair is again coming in vogue. Our grandmothers used to have dark, glossy hair at the age of seventy-five, while our mothers have white hair before they are fifty. Our grandmothers used to make a "sage tea" and apply it to their hair. The tea made their hair soft and glossy and gradually restored the natural color.

One objection to using such a preparation was the trouble of making it, especially as it had to be made every two or three days on account of its souring quickly. This objection has been overcome and by asking almost any first-class druggist for Wyeth's Sage and Sulphur Hair Remedy the public can get a superior preparation of sage, with the admixture of sulphur, another valuable remedy for hair and scalp troubles. Daily use of this preparation will not only quickly restore the color of the hair but will also stop the hair from falling out and make it grow.

This preparation is offered to the public at fifty cents a bottle and is recommended and sold by

Koch Pharmacy.

OUTLINES OF CASE AGAINST M'NAMARAS

Confession of McManigal is
Most Prominent Feature.

Los Angeles, Cal., April 29.—When the curtain arose on the third day's scenes and incidents connected with the imprisonment and impending trial of the alleged dynamiters, John J. McManigal, James B. McNamara and Orville McManigal, the true outlines of the case began to assume definite form.

The all-prominent feature is the confession which McManigal is reported to have made, first to Detective William J. Burns in Chicago and then in more complete form to District Attorney Fredericks here.

The case is assuming more and more the aspects of the case of Moyer, Haywood and Pettibone at Boise City. Even the "Harry Orchard" feature promises to be repeated almost in duplicate.

No official court action is likely to be taken here before the arrival of Clarence S. Darrow, who is expected to have charge of the defense of the McNamaras. It is believed that the arraignment of the accused men will take place early next week.
